

wanted me to, though I'd like to stay if I could. I'm just chock full of plans. He said he thought things were going too well out here to make the change. Wasn't that grand. I'm sorry for the others but they'll probably get the next town up the road. I suppose my job would be interesting when you get to it, but this one was in such a hole and so entirely unsatisfactory when I came that I'm frightfully interested in it. I'll write more about it next time.

A third ending - that means three times, love.

Mildred.
