there!

I am going to end this letter here, but of course you'll get another very soon. At least, I'll write it - whether you get it is a very different question.

Dearest love to everybody, especially Father. You don't know how much more I appreciate you all over here. And please write, I long for letters from you all. I'm not sure Mrs. Ripley and Rufus know my address - 12 rue d'Aguesseau, Paris, care Y.M.C.A.

Lots of love,
Mildred
